On the **THIRD Sunday of the Month**, the Webb **Park Certified Farmers Market and Specialty Faire** offers market space to vendors that are not otherwise participating in our weekly Farmers Market. **THIS IS AN OUTDOOR EVENT**

The event is a part of the **Webb Park Specialty Faire** and will run at the same time as the **Weekly Farmers Market & Specialty Faire**, 10am-4pm.

The fee is a flat \$50 for a ten by ten foot space; we do NOT limit duplication of products, services or brands.

- ❖ Applications may be submitted for any type of clothing, apparel or personal accessories; please describe the products in detail on the application, including who the items are designed for (adults, kids, men, women, unisex), materials used and styles.
- ❖ Vendors who participate in our monthly events are also considered for our weekly market wait-list, and should space become available or as we expand and decide to increase the quantity and variety of products included in the weekly farmers market, those are the vendors we will look to first.

Only one-vendor per booth-space will be permitted. Only the products included on the approved vendor application may be offered.

Complete applications and copies of all documents must be submitted, reviewed and approved by the Market Managers in advance.

A \$10 deposit must accompany your application; the \$10 will be applied to your fees due on the day of the event. Deposits are non-refundable and cannot be applied toward any other date.

Applications must include a copy of your Sellers Permit (sales tax) and any certifications, permits, or licenses used in connection with the products and/or services you plan to offer.

The "Sellers Permit" we ask for copies of is for California Sales & Use Tax

Space is limited. *You must be pre-approved to participate* in the Monthly Market.

We will NOT screen or review new applicants on the morning of the event.

The market does not provide canopies, tables, chairs or access to power; we provide only the 10x10 space for you to set up in.

Vendors are responsible for providing everything used in the set-up and operation of their market display.

please note: our events are held in Webb Park and displays will be set up on the grass along the walkway that winds through the Park. Vendors must consider the following:

- Grassy areas may be wet, especially in the morning. A tarp to lay your items out on while setting up is suggested.
- Grassy surfaces that appear level may still have areas with dips and bulges.
- Some areas may be slightly sloped or not perfectly level; blocks to level table surfaces and/or adjusting canopy legs shorter in the back may be necessary.
- We cannot anticipate sunny/shady areas throughout the day. If your products are sun-sensitive, you will need to plan accordingly to create your own shade as needed.

You can bring your completed application, copy of your sellers permit and deposit-payment to the Market on Sundays between 12-noon and 3-pm (these are the only hours the managers are available to meet with prospective vendors), or you can mail them to us at:
