Hello Food Vendors!

We know that the market is due for a Health Inspection; the best way to prepare is to always be in compliance.

To assist you, we have put together a **Self Audit Checklist** for our Food Vendors. It is available on our website.

Feel free to print off a copy to use as reference on a regular basis. If you need any assistance regarding any of the items listed, please feel free to ask us.

The checklist can be accessed right from our website [FORMS](#) page, by clicking on the [Food Vendor Self Audit PDF](#) link.
